We meet on the third

Well JUNE is usually the middle month in the year, but for us it is the end of our guild year. It has gone by so quickly, with so much going on. We have all learned so many new quilting techniques, and bought so much new fabric. We have all made a new friend or two, I have seen more interaction than ever, with new groups forming. We as women tend to enjoy speaking, and helping others, some, it comes so naturally.

This past year we have had some great workshops, and trunk shows, and some excellent guest speakers as well. We have some product advantages, as well as great learning abilities in the classroom. The courses have been so much fun and great product content. Some not so difficult, and others quite

challenging. Stepping outside the box is a great way to expand your most inner courage. Sometimes you think quite hard on the subject and other times it just pours out on the page. Either way, the more you learn, the easier it gets.

This month at our meeting is our wind up party. Hopefully we will all participate and bring some interesting appetizers or desserts. If you have a unique recipe, try and bring a few copies of it for people to try. We all will try and put some of them in the newsletter

I would also like to say thank you to the executive team of 2012-2013. I have really enjoyed my 1st year of Presidency. This experience has taught me a lot about a quilt guild. I have made new friends and enjoyed trading patterns as well. I look forward to next year, my 2nd and final term. Hopefully it will be as enjoyable as this year has been.

PROGRAMS:

SHOW & TELL –

- Please bring your Show & Tell items to share with us.

Remember this is your last chance to show your completed UFO so that Hattie can give you credit for it.

Congratulations to all who completed their quilts!

JUNE – Elections and Pot Lunch Luncheon

It's party time after the Business meeting!

Strip Poker anyone? Bring 8 – 2 ½" strips - WOF quilting fabric. I'll bring the dice.... let the fun begin. Someone will go home with strips to start a new project!

Please bring an item for our luncheon. Remember to label your containers.

It's been fun working with our committee planning your Programs & Workshops and now is the time one of you to pick up the torch and take on this task.

Project UFO's Update

The end of this year UFO challenge is quickly approaching. The deadline to show your finished registered quilt is at the June meeting.

Hattie is happy to announce all your amazing accomplishments and the prize money will be distributed.

Thank you Hattie for another fun and productive year!

SIT & STITCH – At press time no one has offered to host a Sit & Stitch in June.

Just because we don't have meetings over the Summer you can still host a Sit & Stitch in July² & August. Just let us know at the June meeting or ask Tracey to send out the information in

WORKSHOPS – Coreen Zerr’s workshop in September is FULL. We will be taking names on a waitinglist. Thank you for your positive response.

I’ll be missing our June Meeting as I am involved with the installation of the Fraser Valley Quilters’ Guild show – Fabric Fiesta. Show dates June 21, 22 & 23rd. Looking forward to seeing you all there.....I’m there the whole weekend!
